## SACC (GRADES K-5)

Challenges, stimulation and fun ideas are what our school-age program is all about. This age group has talents, skills to develop, energy, and huge reservoirs of creativity. Let our well-trained SACC staff work with your child to help him/her grow in spirit, mind, & body.

All activities incorporate our core values of respect, responsibility, caring and honesty.

Program runs before and after school (6am-6:30pm)

We also provide care on Teacher Workdays and during school breaks. Our winter break camp, Camp Blizzard, and spring break camp, Camp Bonkers, are separate programs from SACC and require a separate registration fee and rate.

The Rappahannock Area YMCA SACC program admits children 5-12 years of age. The YMCA will address physically challenged and special needs children on a per request basis with the hope that we can serve all children who come to us. The Rappahannock Area YMCA does not discriminate on the basis of race, religion, sex, or national or ethnic origin in administration of its personnel and admissions policies. It is our hope to have a culturally diverse population within our programs.

The YMCA is willing to work with you whether you need financial assistance or if you are just struggling through this tough economy. Our Open Doors Program is completely confidential and scholarships are based on an applicant's income. If you do not require financial assistance but think you still might have difficulty in paying our monthly membership rates or weekly program fees, please come in and speak with one of our Member Services professionals to see what we can do for you.

Please call our Membership Office at 540-371-9622 to make an appointment!
