

# SCHOOL AGE CHILD CARE (SACC) BEFORE AND AFTER SCHOOL CARE

CAROLINE FAMILY YMCA 2018-19

## SACC (GRADES K-5)

Challenges, stimulation and fun ideas are what our school-age program is all about. This age group has talents, skills to develop, energy and a huge reservoir of creativity. Let our well-trained staff work with your child to help them grow in spirit, mind and body.

All activities incorporate our core values of respect, responsibility, caring and honesty. Our program runs before and after school (6am-6:30pm) on site at Bowling Green Elementary, Lewis & Clark Elementary, and Madison Elementary.

We also provide care on Teacher Workdays and during school breaks. Our winter break camp (Camp Blizzard), and spring break camp (Camp Bonkers), are separate programs from SACC and have a separate registration fee and rate.

The YMCA is our  
area's leading  
provider of quality  
before and after  
school child care.

## 8TH PERIOD (MIDDLE SCHOOL)

The program is the place for middle school-aged teens to hang out in a safe environment after school. No matter what the activity, there is something for everyone to enjoy!

The program starts in 2018 and runs after school only until 6:30pm at the Caroline Family YMCA.

Students are bused to our Y from their middle school for afternoon activities. They can participate in gym time, snack, character development, homework time, cooking projects, science, and arts and crafts.
