Preschool Program

CAROLINE FAMILY YMCA

Our preschool is concerned about the growth and development of your child. The preschool program is designed to develop Christian values, social skills, and sharing. Each month, our preschool will focus on different themed unit and specific letters, numbers, colors and shapes. The curriculum will provide children with the opportunity to ask questions, explore new ideas, and engage in a wide variety of learning activities and experiences. The YMCA lays a foundation for ongoing achievement and success!
