NOVEMBER 13TH & 14TH
VIRTUAL AND IN-PERSON SERVICES

Your donation makes twice the impact!

YOUR GENEROUS DONATION allows us to make the Community Health Fair free to both members and non-members alike. Together, we will meet our mission to improve the health of the people in the communities we serve. Additionally, a portion of the proceeds from the 2020 Community Health Fair will be designated to our Open Doors program. Open Doors is our scholarship program that allows all that want to participate at the Y be able to do so regardless of an ability to pay. Scholarships are based on household income and size.
